

What our Little Bear Cubs have been up to this March

March has been a very busy month indeed. We have celebrated Mother's Day with all our lovely mums; we have taken part in fundraising for Comic Relief. We have designed our very own Shamrocks for St Patrick's Day and searched for those gold coins in our messy play area. Some of our Little Bear Cubs visited a care home in Cuffley to donate a hamper with lots of goodies. The residents at the care home were very thankful for all your donations.

As many of our children have older siblings or older family members, we feel it is important to be aware of what is available online. TikTok seems to be very popular at the moment so we have put links to some useful guidance for our families to take a look at.
