Summer Time

I can't believe we have already come to the end of July. Time really does fly when you are having fun. The children have made such good progress this final term. We are ever so proud of their achievements. We have seen so many of their personalities and confidence grow over the time that they have been with us. This term has been busy learning all about summer and holidays. The children have had fun learning about summer fruits, creating their own fruit kebabs, making their own sensory summer bottles and exploring what we need to put in a suitcase for a summer holiday.
